

Transferring a Kindle Book Via USB -A Visual Guide

(for USB Only titles and devices without WiFi)

1. Certain books cannot be transferred wirelessly. You will notice the words “USB Only” in the Available Formats section.

The screenshot shows the Amazon product page for the book "The Help" by Kathryn Stockett. On the left is the book cover. To the right, there's a "Borrow" button and a star rating. Below that, it says "This title can be borrowed for 21 days." and "Visit www.penguin.com for the latest news, tour information and more." On the far right, there's a table for "Available formats":

Available formats	
Kindle Book	USB Only
EPUB eBook	
PDF eBook	

Below the formats table, there's a "Subjects" section with "Fiction" and "Literature" listed, and a "Copies" section showing "Available: 4" and "Library copies: 17".

2. When you click “Borrow” on these items and select “Kindle Book”, you will notice the “USB Only” message again.

The screenshot shows the "Bookshelf" download screen for "The Help" by Kathryn Stockett. A note at the top says: "Note: Once you select a format, you may only be able to return the title via the software." Below the book cover, there's a "Download (Select one format)" dropdown menu. The "Kindle Book*" option is selected, and a red asterisk indicates it is "USB Only". Other options are "EPUB eBook" and "PDF eBook". A "Confirm & Download" button is at the bottom.

3. After you “Confirm and Download”, you will be taken to the download page on Amazon. Click “Get Library Book” (on the right).

Get Your Digital Library Loan

The screenshot shows the "Get Your Digital Library Loan" page for "The Help" by Kathryn Stockett. On the left is the book cover. To the right, there's a "Get library book" button. Below that, there's a "How does this work?" link. Further down, there's a section with a "Return Book" button and text: "You may end your Library Loan early by visiting [Manage Your Kindle](#) and choosing 'Return This Book' or return the book now by clicking below."

Read books on your computer or other mobile devices with our **FREE Kindle Reading App.**

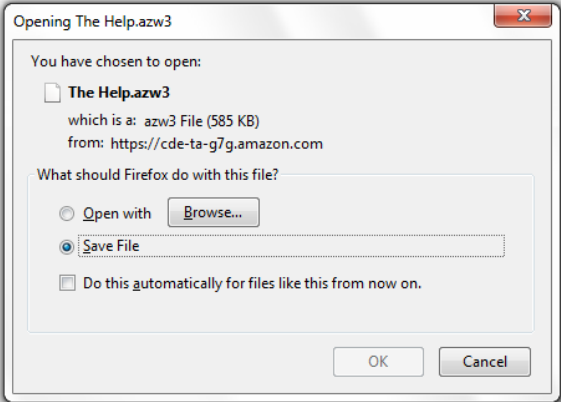

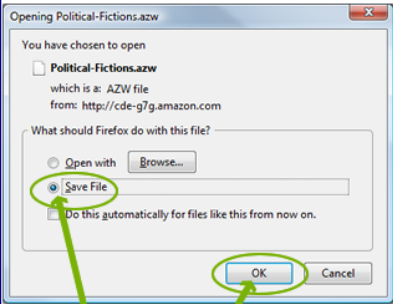

- If you are not signed in to Amazon, you will be asked to do so. Then choose the device you want to download to and click “Continue”. After clicking “Get library book” you will be asked to select your device, then “Continue”.

- Now this screen appears, and a window should open to open the file:

Thanks, Cheshire!

You should be prompted to open or save the file immediately. If the prompt doesn't appear, [click here](#).

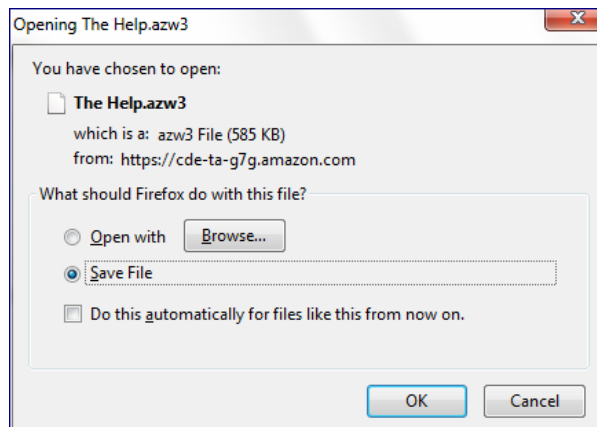

Select **Save File**, then click **OK**

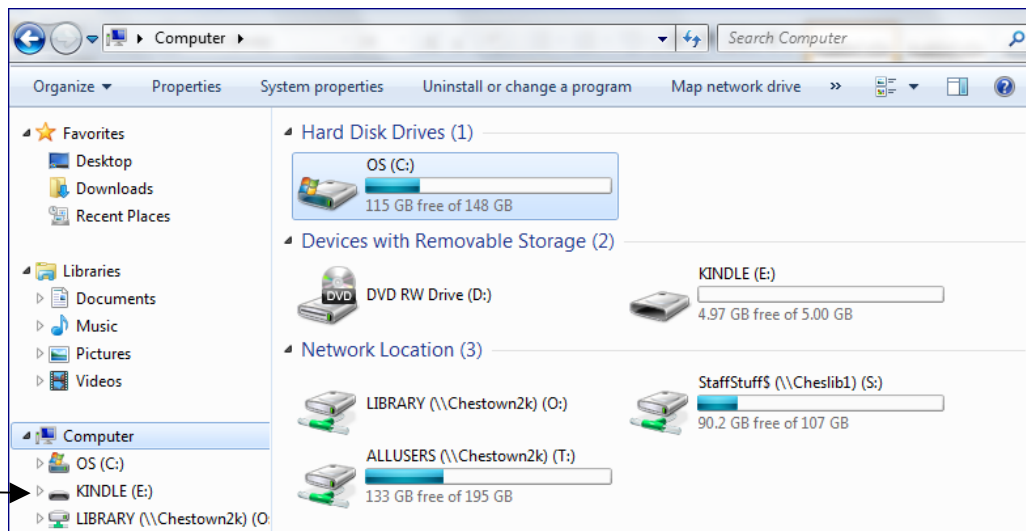

This will save your Kindle Edition to the default downloads location.

To begin reading, first make sure your Kindle is connected to this computer via USB. Then, copy the downloaded file to the "documents" folder of your Kindle. It will appear on your Home screen.

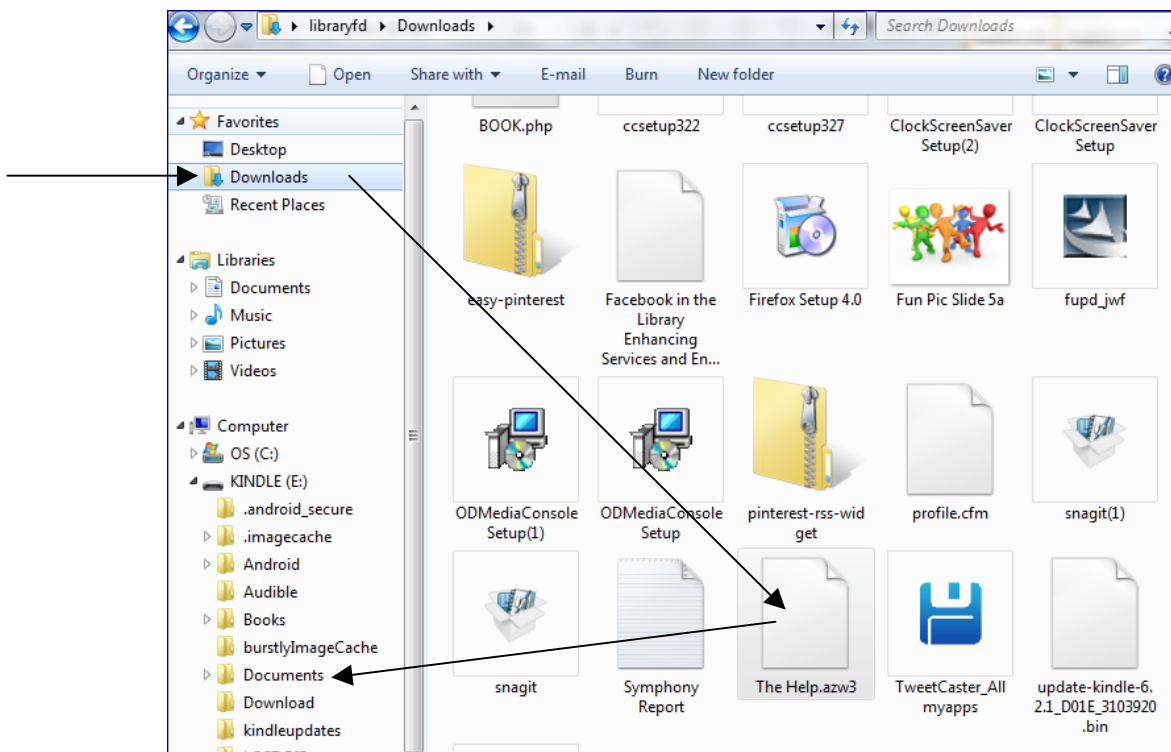

- Choose “Save File”. This will save your Kindle book to the default Download location on your computer (usually the “Downloads” section on your computer’s C drive).

7. Open “My Computer” (or “Computer”) to see the disk drives and other hardware connected to your computer. Plug your Kindle into your computer via the USB cable. You should see an icon for your Kindle appear in the left-hand column.

8. Open your Downloads Folder to find the book you downloaded. Open your Kindle drive. You should see a folder entitled “Documents”. Click and Drag your book from the Downloads Folder on your computer to the Documents Folder in your Kindle.

9. Using your computer, eject your Kindle from your computer. The content you transferred should now appear in Home on your Kindle.
