

DIG DEEPER AT YOUR LIBRARY

Go beneath the surface to see what you can uncover! For every 20 minutes you read, dig deeper by coloring in a spot in the tunnel. When you reach a circle, come to the library for a stamp and a raffle ticket. When you reach the pickaxe, pick a prize rock or mineral! Complete 3 out of 5 challenges in the caves to earn bonus raffle tickets. Claim all raffle tickets by August 12th. If you reach the mine at the end of the tunnel, you'll also get a special prize!
