Follow the clues around Cheshire to find the hidden gems!

Find the flyer at each location and write down the name of the gem beside the clue. If you find them all, you'll earn a ticket for the Gem Hunt Raffle!

1. Find this gem under a neon sign. Bring cash if you want to order the hot pepper relish.

2. You're bound to find this gem in a place with Quiet river Views, fresh Air, bird Song, and a museum.

3. Point North to this location where your furry friend can get treats, toys, and a bath.

4. Throw Your hands in the air for a clue to working out the location of this gem.

5. Spice up dinner "pho" real when you get a curry and find this gem.

6. This gem is at a place to make art, which used to be a factory.

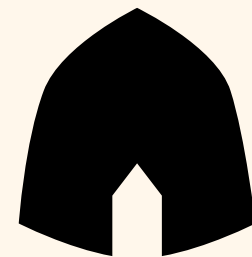

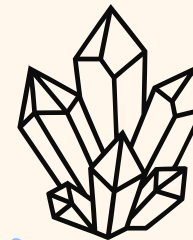

7. Now owned by a new family, this gem is in a place that is "kee" to helping you start a garden.

8. You'll find this gem if you're craving a cold cut sandwich for lunch near Town Hall.

9. Thirsty people and pups enjoying music at the new bandshell will appreciate this gem's location.

10. This gem is at a NYC-inspired pizzeria that says, "welcome, everyone!"
